*Kindergarten Readiness in a Christian Atmosphere*

February, 2010

### THE MONTH IN REVIEW

We are really enjoying those poster boards highlighting our special child of the week. We loved Elisia's family picture, everybody looked so happy! We also loved her birthday picture and the one where she and her siblings were all dressed up for trick or treating. Reid was next, and we learned from his poster board that he is going to be a big brother again! Congratulations to the Bengtson family. We loved all of Reid's pictures, but especially his beautiful dog! Natalie's poster board was filled with pictures of family and friends, and we sure enjoyed seeing her baby pictures. Our favorite was the one where she was covered in birthday cake! We learned that Caroline loves wrestling! Who knew?? She and her sister Elise also love boating.

We've enjoyed *Moving with the Music* during February, and our field trip to the Musikgarten topped off our month. Mrs. Brewer showed us a number of fun things to do with music and musical instruments, and we are going to try them all at school. In addition to our field trip we had fun with aerobics, where we learned we could exercise while building a pretend tree house. We all loved the game musical islands, perfect for active and adventurous indoor fun.

During Bible time we heard the story of David and Goliath and learned where young David got his strength. (We'll tell you where **OUR** strength comes from when we sing at church on March 14!) We also learned about a love SO BIG it's AMAZING. That's God love! During February we talked a lot about opposites and things that are the SAME and things that are DIFFERENT.

We will turn our attention to numbers and weather during the month of March. Having fun with counting games, math problems and patterns are just a few of the things we'll try.

March 7 is the beginning of an exciting week at school... Lutheran Schools week, and we will celebrate with lots of exciting activities. On March 8 we'll travel to St. John's Lutheran Preschool in Chatham to watch a special K-9 unit perform. While there, we'll enjoy snack and play time with our friends at St. John's. (Permission slip attached.) Letter B is coming up soon and we'll celebrate with a trip to see birds, birds and more birds! A unique bird house right here in Auburn will be our focus on March 10. (Permission slip attached.) Please wear **Yellow** to school on March 12. This will remind us that Jesus, God's Son is so bright! We have been

practicing and look forward to singing praises to God at the 10:15 a.m. service at Trinity Lutheran Church on Sunday, March 14. (Information attached.) On March 17 Miss Amy will join us to celebrate St. Patrick's Day by helping us create a **green snack**. We earned it and we can't wait....our ice cream party is scheduled for March 24. Thank you for helping us reach our goal of reading 100 books. I think we did it in record time!

## **MARCH SCHOOL ATTRACTIONS.....**

March 2	Happy Birthday Matthew!
